Transferable

# 7 Design Steps

1. Define Program Goals
2. Define and Quantify the Available Resource
3. Define Eligible Participants
4. Define the Privilege
5. Assign the Privilege
6. Develop Administrative Systems
7. Assess Performance and Innovate

## Design Options in Action

To meet community needs:

- Trading rules

- Community quota

- Owner-on-board provisions

To accommodate new entrants:

- Share holdbacks

- Consolidation limits

- Loans to purchase capital

Alaska Halibut and Sablefish  
Danish Pelagic and Demersal

British Columbia Groundfish  
Chilean Nearshore TURF
