# [ NŪ-Ē-PĪK ]

NEIWPCC is a regional commission that helps the states of the Northeast preserve and advance water quality.

We engage and convene water quality professionals and other interested parties from New England and New York to collaborate on water, wastewater, and environmental science challenges across shared regions, ecosystems, and areas of expertise.

# ABOUT NEIWPCC

## • MISSION •

To advance clean water in the Northeast through collaboration with, and service to, our member states.

## • VISION •

Clean and sustainable water throughout the Northeast.

## • VALUES •

Leadership • Collaboration • Education •  
Service • Science
