

Environmental & Community Impacts of

Moneen Nasrith
LNG

LNG Export Terminals

Concentration of LNG Terminals

Direct Impacts of Export Terminals

- Air quality
- Safety
- GHGs
- Wetlands
- Species

Problems with Review of Terminal Impacts

- Failure to account for environmental justice impacts, e.g., *Vecinos/Rio Grande & Brownsville LNG*
- Underestimation of air quality impacts, e.g., *Healthy Gulf/Commonwealth LNG*
- Refusal to factor in climate change impacts, e.g., *Evangeline Pass*

Upstream and Downstream Impacts

- Shale play-level impacts from increased production of gas
- Lifecycle GHG emissions impacts
- Shipping impacts
- Economic impacts

Problems with Review of Export Impacts

- DOE's Categorical Exclusion
- Assumptions re. upstream impacts
- Assumptions re. GHG emissions
- Assumptions re. economic impacts
- Failure to incorporate environmental and energy justice considerations
