

A network diagram on a dark blue background. It features several red circles of varying sizes connected by thin red lines. The circles are arranged in a way that suggests a complex, interconnected system. Some circles are larger and more prominent, while others are smaller and less noticeable. The lines connect the circles in a non-linear fashion, creating a web-like structure.

1. Do you have a clear community outcome for racial equity?
2. What does your analysis of community data tell you?
3. How have communities been engaged? Are there opportunities to expand engagement?
4. Who will benefit or be burdened by your proposal?  
What strategies will advance racial equity?
5. What is your plan for equity-focused implementation?
